

ADULT SUPPORT VIRTUAL GROUPS/PROGRAMS
Division of Social Work
April 2022

Due to COVID-19, all adult patient/family groups and programs listed below will be held virtually via Zoom or telephone. Patients/families who receive care at any of our DFCI locations across the network are welcome to reach out about any of our groups and programs. For more information or to connect with a social worker at Dana-Farber Cancer Institute, call: 617-632-3301 or visit www.dfc.org/supportgroups.

If you are not a Dana-Farber patient and are interested in attending a Dana-Farber support group, please call 617-632-3301.

Please note: Dates below are only listed through April 2022. Another calendar will be circulated next month. Additional meetings will be held in upcoming months.

[Family Connections Program: For Parents with Cancer](#)

Provides supportive resources to adult patients who are parents, addressing their needs as parents and those of their young, school age, and/or teenaged children. Age-appropriate information is available through various materials, including:

- Parent information binder for adult patients/adults in the family (digital version available in English and Spanish)
- Age-based packs for children/teens of patients
- Grief information

For more information, please call 617-632-3301 (Social Work main office).

Visit: www.dfci.org/familyconnections.

[One-to-One: Connecting with Someone Who's Been There](#)

One-to-One is a volunteer support network that offers matches via telephone for current patients, partners, and caregivers who have experienced the complex issues surrounding high-risk cancer, diagnosis and treatment with current patients, partners, and family members. For more information, call 857-215-1417 or visit: www.dfci.org/onetoone.

[SoulMates](#)

For individuals facing a breast cancer diagnosis, connecting to someone with a similar experience can be a great source of comfort. Our SoulMates program matches breast cancer patients at Dana-Farber with volunteers who have been through a similar journey. SoulMates participants can benefit from the insight of a peer mentor who is trained in topics such as listening, problem solving, and confidentiality. These volunteers offer emotional support, practical coping tips, and more. They guide patients to Dana-Farber programs and community resources. Most importantly, they help relieve fears and concerns because they understand what it's like to face cancer. This program is currently open to women of all ages with breast cancer who are receiving their treatment at Dana-Farber. Volunteers must be out of active treatment for at least two years. For more information, call Katie Infantine at 617-237-0498.
